Lecture Hall III  
RSU Main Building,  
16 Dzirciema Street

## TRAUMATOLOGY AND ORTHOPAEDICS

### 1ST SESSION 9:00 – 11:00

**MODERATORS: Andris Jumiņš (Latvia) and Alexander Lerner, MD PhD (Israel)**

<b>9:00 – 9:40</b>	Alexander Lerner	Damage Control Orthopaedics Principles in Polytrauma Patients
<b>9:40 – 9:50</b>	Andris Jumtins, Ruta Jakusonoka, Andris Vikmanis	Patient Safe Education in Orthopaedics
<b>9:50 – 10:00</b>	Modris Ciems, Rota Vecina, Ugis Zarins, Marika Ziedina	Postgraduate (residency) training of orthopaedic surgeons in the Hospital of Traumatology and Orthopaedics in cooperation with universities.
<b>10:00 – 10:10</b>	Igors Kolosovs, Rudolfs Preiss	Challenges in orthopaedics and trauma in regional hospital
<b>10:10 – 10:20</b>	Toms Arcimovics, Ruta Jakusonoka, Andris Jumtins, Gunita Vincela, Zane Pavare, Alexander Lerner	Medium-term outcome of patients with surgically treated tibiofibular syndesmosis injury
<b>10:20 – 10:30</b>	Aleksejs Repnikovs, Kalvis Briuks, Rolands Gibners, Edgars Svolaks, Olegs Suhorukovs, Andris Puce	The experience of minimally invasive spine surgery in the Hospital of Traumatology and Orthopaedics
<b>10:30 – 10:40</b>	Andris Vikmanis, Andris Jumtins, Ruta Jakusonoka, Jevgenijs Movcans	The medium-term outcomes of the polytrauma patients with Pelvic Ring and Acetabular fractures treated by the the modified Stoppa or combined approach
<b>10:40 – 10:50</b>	Uldis Krustins	Arthroscopic treatment and bone grafting of scaphoid nonunions
<b>10:50 – 11:00</b>	Inese Breide	Extended flexor carpi radialis approach: treatment of complex distal radius fractures
<b>11:00 – 11:30</b>	COFFEE BREAK/POSTER SESSION	

### 2ND SESSION 11:30 – 14:00

**MODERATORS: Asoc. Pēteris Studers and Assist. Silvestris Zēbolds (Latvia)**

<b>11:30 – 11:40</b>	Peteris Studers, Andris Dzerins, Matiss Zolmanis, Una Bladiko	Revision Total Hip Arthroplasty
<b>11:40 – 11:50</b>	Silvestris Zebolds, Andris Jumtins, Kristaps Knohenfelds	The analysis of revision operations after total hip replacement in dysplastic hip patients
<b>11:50 – 12:00</b>	Agnese Studere, Daina Smite	Chronic pain syndrome manifestation before and after total hip arthroplasty for patients with primary hip osteoarthritis
<b>12:00 – 12:10</b>	Karimov Murod, Sarvar Madrakhimov	The effectiveness of a multidisciplinary approach in total knee replacement
<b>12:10 – 12:20</b>	Aigars Vugulis	The choice of implants in a shoulder replacement surgery depending on the rotator muscle function

# 3 APRIL

Lecture Hall III  
RSU Main Building,  
16 Dzirciema Street

## TRAUMATOLOGY AND ORTHOPAEDICS

<b>12:20 – 12:30</b>	Anda Kadisa	Correction of immunosuppressive therapy in rheumatologic patients during the perioperative period
<b>12:30 – 12:40</b>	Arturs Bogdanovs, Aleksejs Miscuks, Iveta Golubovska	Fascia iliaca block versus local infiltration analgesia for postoperative pain control after hip replacement surgery
<b>12:40 – 12:50</b>	Dzintars Ozols, Aigars Pētersons	Long term evaluation of the functional and esthetical outcomes for the new method of the toe-to hand transfer for full-length thumb reconstruction in congenital thumb's hypoplasia
<b>12:50 – 13:00</b>	Martins Malzubris, Luize Raga, Igors Terjajevs	Reconstruction of Osteomyelitis defects
<b>13:00 – 13:10</b>	Lauris Repsa	Orthopaedic oncology – challenge for orthopaedic surgeon
<b>13:10 – 13:20</b>	Viesturs Drunks	Patient experience after receiving lower extremity amputation due to diabetes and/or peripheral artery disease
<b>13:20 – 13:30</b>	Agate Leimane, Gundars Rusovs, Aleksejs Katasevs, Aivars Vetra, Aleksandrs Okss	Deformation in elastic panels of smart garment when imitating the Self-Corrective movements of Patients with Idiopathic Scoliosis
<b>13:30 – 13:40</b>	Eriks Ozols	Challenges in arthroscopic knee surgery – Medial meniscus posterior root tear
<b>13:40 – 13:50</b>	Guntis Raipalis, Karlis Lacis, Tina Krumina	Using of conservative therapies to prevent the formation of hypertrophic scars after thermal burns
<b>13:50 – 14:00</b>	Janis Upenieks, Uldis Bergmanis, Agnese Rekevica	Options for lower limb length discrepancy correction in children
<b>14:00 – 15:00</b>	POSTER SESSION	
<b>15:00 – 16:00</b>	CLOSING PLENARY SESSION (RSU Main Building, Dzirciema street 16, HALL AULA)
